We would help you to realize your unforgettable dream wedding in the heart of Umbrian hills and left bank of the Tiber River.

The Villa

The magnificent halls with capacity of over 150 seats and the enchanting Romantic Garden (4 hectares) will be the perfect setting for the wedding day itself.

Villa Taticchi (1366) was born and developed around the guard-house of a medieval tower built in the XIV century. It was originally built to protect the Tiber valley, once the dominion of the Benedictine monks, from attacks by invaders.

The Taticchi family took ownership in 1800 and renovated it to give it its current look. The villa, always the site of parties and banquets for the family, as it was meant to be used, was opened to the public in 1988 as a holiday farmhouse and later as a restaurant.

The villa accommodates 18 guests in 7 double bedrooms (with possibility of extra bed and crib). The relaxing and luminous bedrooms all have en-suite facilities, air conditioning and free WIFI.

During your stay all the spaces of the Villa and the Garden will be for your exclusive use, including the Jacuzzi with view over the garden. Breakfast will be served every morning for the guests of the Villa. The structure has a large parking lot, and space for buses.

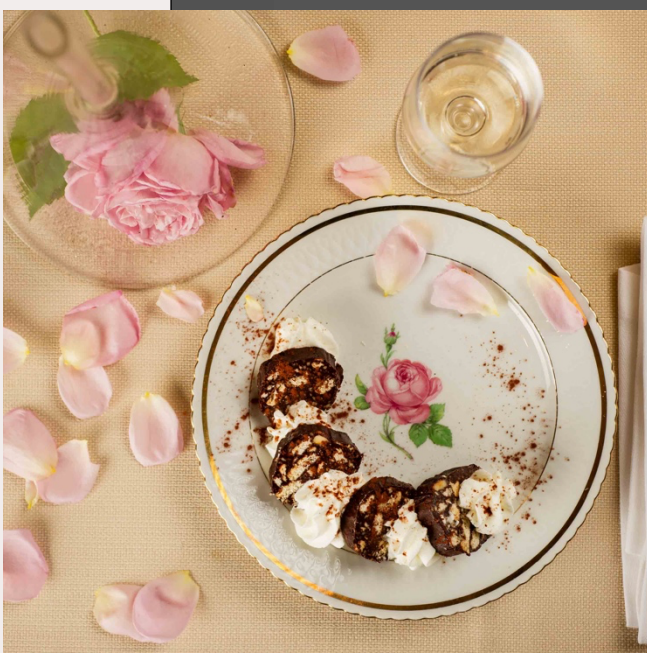

The Restaurant

Here everything is home-made! From the delicious starters to the hand-made pasta, and let's not forget the inviting desserts which you can't say no to.

A rich kitchen, well-known and at the same time genuine and careful with the health of its guests, based on fresh products: vegetables from our own garden and domestic meat, are the main ingredients of every course.

The pasta and the bread are made by hand of our chef Francesca Taticchi.

We are specialized in the Umbrian, Italian, vegetarian, vegan, bio and celiac kitchen. With a wide selection of Umbrian /Italian and French wines.
